Respondents.)	

This habeas corpus action was dismissed, and judgment entered more than four years ago on January 19, 2006 (docket #7 and #8). The Ninth Circuit Court of Appeals has denied petitioner relief on appeal (#21).

Petitioner, has moved to vacate the judgment, which was denied. Petitioner now files a Motion to Delete Unexsusted [sic] Claims to File A New (docket #32). Petitioner's motion is untimely and provides no sufficient basis to support the requested relief. Moreover, because this case has been long closed and appeal relief denied, petitioner is advised that any further attempts to file documents in this matter shall be refused and the document shall be returned unfiled.

IT IS THEREFORE ORDERED that petitioner's motion (docket #32) is **DENIED**.
